Plan administrators can now select, download and print member ID cards on the desktop version of MedBen Access!

Both medical and dental ID cards are available to download (if you provide member dental cards). It's a useful tool if a member forgets or loses their card!

To access this new feature, simply:

1. Go to **MedBen.com** and select "MedBen Access," then log in.
2. Hover over "Group" on the top menu and select "Display Group ID Cards."
3. Select the desired card from the "Group View ID Cards" list (see inset image above). You'll see the front and back of the selected card.
4. To print, just click the "Print Card" button!
