

VISIONPLUS™

Better Health Starts at the Top.

MedBen® PreceDent

Adding fully-insured group dental and vision to your benefits package is a smart way to provide valuable coverage at a reasonable price. Not only does it help your employees keep their teeth & eyes in top shape, it can help detect the onset of multiple medical conditions, from heart problems to diabetes.

MedBen PreceDent

LOWER COSTS.

We offer sizable discounts over regular dental rates, so you and your employees both save.

MEMBER FREEDOM.

Members can use network providers for the lowest cost or visit dentists outside the network with competitive benefits.

NO WAITING.

No waiting period for preventive services or basic restorative.*

VisionPlus

MEMBER CHOICE.

Choose lower-cost care from our extensive network or use non-network providers with competitive benefits.

COST MANAGEMENT CONTROLS.

Network provider fees are under usual & customary. Plus, we limit frame markups and discount contact lenses.

PRECERTIFIED BENEFITS.

Vision providers can receive precertified claim forms via our BeneFax system.
