Member Prescription Portal Features

My Benefits

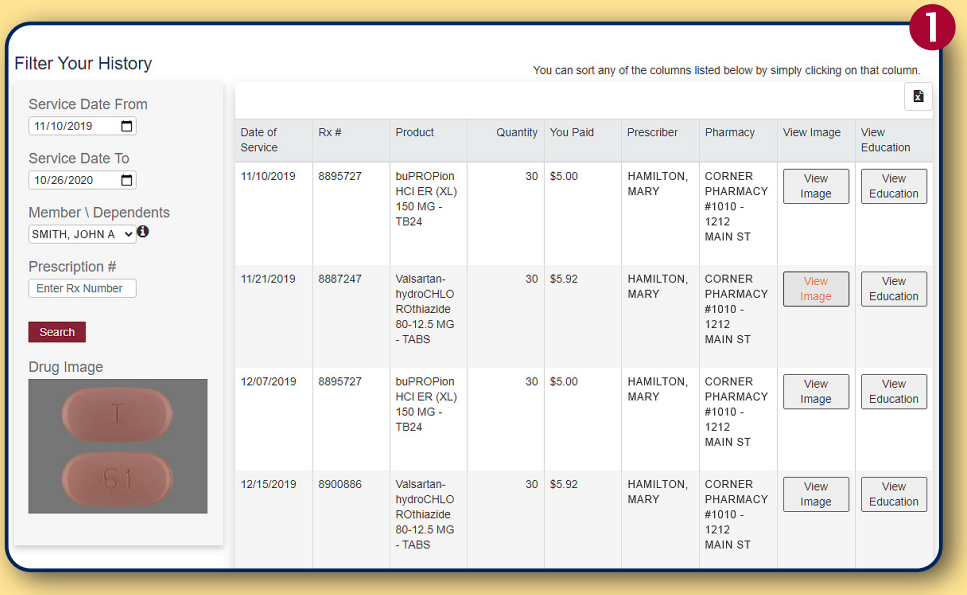
Check **accumulated deductibles and out-of-pocket amounts** for you and your covered dependents. You can also see the portion your plan has paid for your prescriptions.

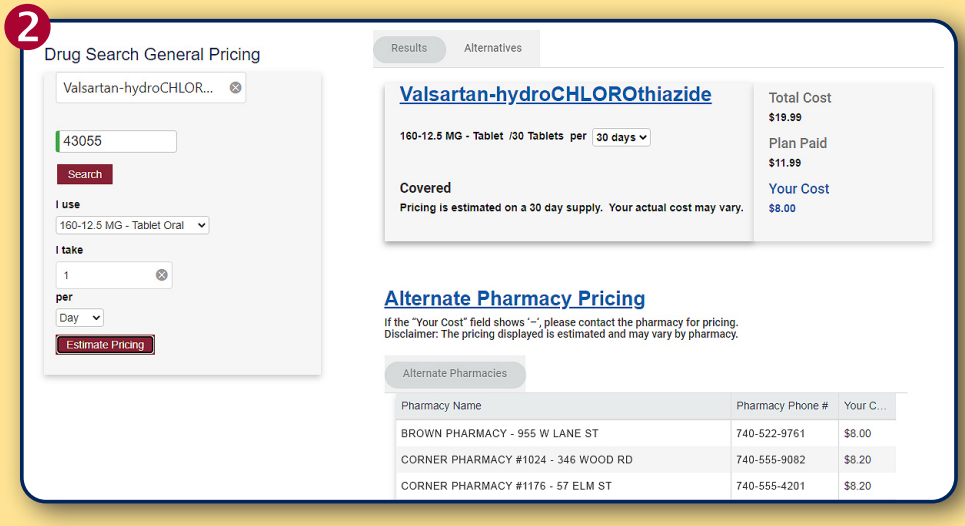
Pharmacy Locator

Search for **participating pharmacies in your area**, from a radius of five miles to 50 miles.

Drug History

Review recent prescription drug purchases for you and your dependents by date range **(1)**. Click on **"View Image"** to see what the drug typically looks like, and **"View Education"** to read detailed information about the drug, including any known side effects. You can also search for specific purchases by prescription number.





Drug Alternative lists and other results may take a moment to load.

Request Card

Print a prescription card to present to the pharmacy.

Drug Coverage

Search for a medication by name, dosage and frequency of use to see **(2)**:

- Whether the drug is **covered** under your plan;
- Total drug cost, the portion the plan pays, and **your cost**; and
- **Alternative pricing** at nearby pharmacies.

Additionally, by clicking the **"Alternatives"** tab, you can view a list of drugs that are equivalent to the one you are being prescribed. You can use this information to discuss options with your pharmacist or physician that may be right for you, and easier on your wallet.

Additional Questions?

Should you have additional questions regarding your pharmacy benefits or claims, please contact MedBen Customer Service at **(800) 686-8425**. Our representatives are available to assist you Monday through Friday, 8:00 a.m. to 6:30 p.m. EST.
